Solar System Fill-in Map

Directions: Please fill in each of the blank ovals on Map 1 with an answer from the list below. Include both the letter and your answer (for example, A. orbits in the appropriate oval. Notice that each of the ovals contains a number as well as a space for your answer. Once you have filled in all the ovals, mark your answer sheet. The number in the oval tells you which item to mark on your sheet; the letter in front of your answer tells you which bubble to darken on the section of your answer sheet labeled “Fill-in Maps”.

Map 1 Answer List
